In that Advisory Action, the Examiner refused to enter the Amendment dated June 8, 2009, for the reason that the amended language would require further search and/or consideration.

Actually, since the amendment incorporates subject matter indicated by the Examiner as allowable, it is believed that neither significant search nor undue consideration would be required for entry of the Amendment. Indeed, it is thought that the Amendment in question is precisely the type of Amendment that ought to be entered, despite the finality of the rejection.

Accordingly, entry of the Amendment is respectfully requested.

This also summarizes a telephone interview conducted with the Examiner on July 9, 2009. During the interview, the Examiner agreed that it was incorrect for her to deny entry of the Amendment. The Examiner further agreed to enter the Amendment, and to consider it on its merits, with the expectation that the Examiner is likely to issue a Notice of Allowance.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicants
